Public participation shall be permitted at oral proceedings in accordance with the following:

1. At an oral proceeding on a proposed rule, persons may make statements and present documentary and physical submissions concerning the proposed rule.
2. The presiding officer in his or her discretion may allow individuals to participate that have not contacted the State Medical Examiner prior to the proceeding.

4. The presiding officer may place time limitations on individual presentations when necessary to assure the orderly and expeditious conduct of the oral proceeding. To encourage joint presentations and to avoid repetition, additional time may be provided for persons whose presentations represent the views of other individuals as well as their own views.
5. Persons making presentations are encouraged to avoid restating matters that have already been submitted in writing. Written materials may, however, be submitted at the oral proceeding.
6. Where time permits and to facilitate the exchange of information, the presiding officer may open the floor to questions or general discussion.
